

NEW SPRING CAMP

A NEW CAMP is being set up from the 23rd June along the proposed route of the BINGLEY BYPASS, which is a D.B.F.O scheme. At present there are two camps, Boing and Rye Loaf to the south of the proposed route, which have just had their anniversary on the 18th of June. The new camp is situated by five rise locks in CrossFlats, 1 mile on the other side of Bingley from the present camps. It includes about 50 mature trees, on a 50ft slope suitable for tunnelling! It's a beautiful site surrounded by fields, a canal and a railway line. Evictions are probably due to start from late autumn/winter.

WHAT TO DO: We need people to help set up the camp from the 23rd onwards, especially during the first few days/week, as lots will be happening. For whatever length of time you can come for, be it for the day or whatever, we need you. People are also needed to live there on a more permanent basis, so if you want to live in a beautiful and peaceful camp in the north then come along.

HOW TO GET THERE: Buses and trains run from Bradford and Leeds to CrossFlats nr Bingley. The camp is 5 mins walk from CrossFlats train station, take the road on the first right on the north side of the rail line, after about 500m the road takes a sharp bend to the left, at this point go around the big gate down to the track by the rail line and the camp is 300m along in the trees.

CONTACT: Mobile Number - 0370 985122 for any information, directions and queries etc...
